

TATA

The image features a minimalist design with a light cream background. Large, soft-edged shapes in teal and peach are positioned in the upper left and right corners, respectively. The word 'TATA' is rendered in a bold, dark navy blue, sans-serif typeface. Below the letters, a series of circles are arranged horizontally: a gold circle under the first 'A', a peach circle under the second 'A', a red circle under the hyphen, a peach circle under the third 'A', and a red circle at the end. Additionally, there are smaller red circles placed between the larger ones under the second 'A' and the third 'A'.
